

SAS YOUTH SAILING NATIONAL CHAMPIONSHIPS 2010

Newsletter number (one) 26th May 2010

Youth Nationals 2010 is fast descending on us and rest assured that we are hard at work making it happen.

Northern Region is trying its level best to deliver a most enjoyable week of racing where our Youth can demonstrate their skills and win the prizes and accolades that go with their achievements. The last Youth National event held in the Vaal was in 2006; it incorporated a week of Double handed sailing before the single-handed event and included Cats sailing out of Stilbaai. It was also a time of celebration for the Dabchick class which turned 50, the event was highly successful.

This years Regatta takes on a slightly different format but we are sure that it will be as enjoyable. The wind gods played ball in 2006 and we have sent a request for a similar performance, but whether any cognizance of our request will be forthcoming we cannot guarantee. The Dam is way over the 100% full mark and the Banks are green and shady, we don't envisage much change before December.

The NOR is nearing completion and will be distributed shortly

Boats

Should there be any sailors who wish to take part but don't have any boats, please take this up with your class representatives who should contact the organizing committee, we cannot guarantee a boat or its condition, but will try our best to source any request.

CAMPING/ACCOMMODATION

A few Rustic huts will be available for hire at Aeolians, these are limited in number, to book contact the Regatta secretary, but please there are no guarantees.

Camping will be available at Aeolians the cost of which will be advised very soon.

A camping form will be included in the NOR which will be distributed shortly. Aeolians have installed limited power points which will be sufficient to carry the load of fridges and light, but please do not plug in kettles etc. Aeolians have a successful track record in hosting these events and have spruced up their facilities for the event. Staff will be on duty to ensure ablutions and the like are clean and in order. Please report any lapses to the Regatta office. Regatta headquarters will be at the Aeolians clubhouse.

The following accommodation is available in the vicinity (Mostly in Deneyville allow 20 - 30 minutes travel one way). Should you wish to make use of these venues kindly contact them directly.

ACCOMMODATION

Vaaldam area

NAME	DESCRIPTION	TOWN	NUMBER
Stone Cottage	Accommodation - B & B	Deneysville	016 371 2455

CATERING

We will have full kitchen and bar facilities available for the duration of the regatta. The food will be excellent at competitive prices. In order to restrict the amount of cash on the premises, a tab system will be in operation. Sweets, cool drinks and snacks will also be available.

BRAAI FIRES

Summertime at the Vaal is fire hazard time and we need to be especially careful to avoid a tragedy. No fires will be permitted anywhere on site, but the club will ensure that ample fires are available at the clubhouse, under controlled conditions, each night.

MEDICAL

Basic first aid by qualified people will be available on site. We have made arrangements with professional emergency services for evacuation if required. These are precautionary arrangements for your peace of mind.

GROCERIES & SHOPPING

There is a mini market in Deneysville +- 30 minutes away. Most Supermarkets are available in Vereeniging which is about 40 minutes from Aeolians. We will investigate an order and delivery service to make your stay easier.

Johannesburg is about an hour and a bit, away for the adventurous ones.

COMMUNICATIONS

Cell phone reception is available.

EMAIL & INTERNET

Wireless dialup will be available. However, usage will be restricted and reserved for "emergency" use only.

REGISTRATION

The registration fee has not been finalized but every effort is being made to ensure that costs are kept as low as possible. We are trying to budget a fee in line with or less than previous events. Fees etc will be outlined in the NOR which will be published shortly.

ADVERTISEMENTS

If you want to buy or sell a boat or advertise your business in our brochure please contact Cobus Bester on 0824577218

ENTERTAINMENT

Our committee is busy putting together a programme for the evenings and any windless days, and yes there will be a happy hour.
